

Bunker Labs Launch Party

26 September 2019

On 26 September, SOFWERX hosted the Grand Opening for the Official Bunker Labs Tampa Chapter. Bunker Labs is a national 501(c)(3) nonprofit organization headquartered in Chicago, built by veterans for veterans. They provide educational programming, mentors, events and thriving local networks to help military veterans succeed and thrive as entrepreneurs and innovators. Their goal is to empower veterans to start and grow their business.

Event Outcomes

- Over 275 entrepreneurs registered to attend.
- Guests listened to speakers and gained insight on the collaborative efforts put forth through Bunker Labs.
- SOFWERX gained recognition in the veteran community through this event.
