

Warrior Camp Training - Prepping TECH for Team SOCOM

2-5 March 2020

Event Outcomes

On 21-28 September, 2020, the U.S. Marine Corps will host the Department of Defense Warrior Games. Approximately 300 wounded, ill, and injured service members and veterans will participate. Established in 2010, the Games' purpose is to enhance the recovery and rehabilitation of wounded warriors and to expose them to adaptable sports.

From 2 – 5 March, SOFWERX assisted USSOCOM during the Warrior Games training at MacDill AFB. SOFWERX engineers and MTRC Skybridge Tactical experts fabricated and modified over 35 apparatuses for Team SOCOM to be used in golfing, shooting, archery, weight lifting, and cycling. These projects will be utilized during competitions in the 2020 Warrior Games held in San Antonio, TX.

- USSOCOM Wounded Warriors participated in USSOCOM Care Coalition Warrior Games Selection Camp.
- Top Athletes will move on to compete and represent USSOCOM at the Games.
- SOFWERX's 35 technologies will assist selected Warriors at upcoming Games.
