2023 Jefferson High School JROTC STEM Event

09 March 2023

SOFWERX staff and interns hosted a STEM Event for a local Hillsborough County Public School, Jefferson High School Junior Reserve Officers' Training Corps (JROTC) program. During this event, students learned soldering basics and spoke with SOFWERX staff about implementing that knowledge into their drone club projects.

Event Outcomes

- Students participated in soldering simple series circuits to illuminate LEDs
- Students learned safe equipment handling and soldering skills
- SOFWERX looks forward to continuing STEM collaboration with Jefferson High School JROTC
