

FIRST Robotics Kick-Off

4 January 2020

On 4 January 2020, SOFWERX and the Foundation for Community Driven Innovation (FCDI) hosted the FIRST Robotics Kickoff, Infinite Recharge. Teams from around the galaxy gathered online and at more than 140 kickoff locations to watch the game reveal and celebrate the upcoming challenges, heart-pounding thrills, and perseverance of the season ahead.

Event Outcomes

- 12 teams from across the state of Florida participated.
- Upon completion of the FIRST worldwide broadcast, each team picked up a kit to build their competition robot.
