## SOFWERX: Introduction to Welding Workshop

8 & 15 February 2020

Event Outcomes

SOFWERX held an Introduction to Welding Workshop at the University of South Florida, College of Engineering. Diane Burress, Vice President of the American Society of Mechanical Engineers, and SOFWERX intern, coordinated the opportunity.

- 30 students from all engineering disciplines attended this workshop free of charge.
- The first Saturday session was eight hours and served as an occupational safety overview. The second Saturday session consisted of eight hours of hands-on instructional time on the fundamentals of welding.
- Students left the workshop with basic welding skills, supported by a base of safety knowledge.
