

JROTC STEM Event

28 April 2023

SOFWERX attended and supported a Junior Reserve Officers' Training Corps (JROTC) STEM event held on MacDill Air Force Base in Tampa, FL. Many local high schools attended this event to connect with military professionals and discover future career paths.

Event Outcomes

- SOFWERX staff spoke with over 700 students as well as support staff about the SOFWERX mission and how to get involved in the future.
- JROTC students engaged with SOFWERX staff to test their critical thinking skills, encouraging them to think outside of the box while challenging their peers.
