

Jefferson High School AFJROTC STEM Day

18 October 2018

Event Outcomes

On 18 October, SOFWERX welcomed Jefferson High School for a STEM day. The attending students were representatives from Jefferson's Air Force ROTC program. Upon arrival, students and teachers were briefed on the mission of SOFWERX followed by a tour of the facility. The students then participated in a mock Capability Collaboration Event. A Warfighter challenge was presented, and the students came up with their best solutions to mitigate the problem. Each team was required to give a short presentation on the results of their brainstorming sessions.

- 61 students and teachers from Jefferson High School came to the SOFWERX facility.
- Students and teachers watched and participated in a drone demonstration.
- Students were briefed on a real-world Warfighter challenge.
- 5 teams brainstormed solutions to the Warfighter challenge.
- Each team presented on their most advanced idea to solve the given challenge.
