

Maritime Assault Suit System (MASS) Assessment Event (AE)

18 November 2021

SOFWERX, in collaboration with USSOCOM PEO SOF Warrior (PEO-SW), hosted an Assessment Event (AE) to identify solutions for the Maritime Assault Suit System (MASS) and Lightweight MASS (L-MASS). These suits would be used as a combat/dry suit for the Naval Special Warfare community in maritime, land, airborne, shipboard, and transitional environments.

Event Outcomes

- USSOCOM selected 3 organizations to present their MASS/L-MASS technology brief to a panel of Government evaluators.
- 9 Industry representatives and 8 Government representatives participated virtually.
- USSOCOM will make their decision as to which organizations they will choose to move forward with by the beginning of December 2021.
