

# Multi-Capable Distribution Platform Assessment Event (AE)

14-18 November 2022

SOFWERX, in collaboration with USSOCOM Program Executive Office - Special Operations Forces Support Activity (PEO-SOFSA) hosted a series of events to identify solutions to provide long range resupply via a multi-capable distribution platform (MCDP) in a contested environment.

## Event Outcomes

- Out of 50 submissions, USSOCOM PEO-SOFSA selected 7 Industry organizations to present their Multi-Capable Distribution Platform (MCDP) capabilities
- A team of 8 Government representatives participated in the one-on-one discussions
- The selected 7 Industry organizations will update their submission based on further guidance given after the one-on-one discussions
- Based on the updated submissions, USSOCOM will downselect their top candidate(s) to advance to the next phase of this effort
