

SOFWERX

ROBOTICON Tampa Bay 2021

02 - 23 October 2021

SOFWERX, in collaboration with Foundation for Community Driven Innovation (FCDI), supported ROBOTICON Tampa Bay at the Advanced Manufacturing & Robotics Center (AMRoC™) FabLab. SOFWERX provided educational materials and robotics programming for grades K-12 and beyond.

Event Outcomes

- SOFWERX supported ROBOTICON for three weekends in October.
- The SOFWERX STEM exhibit included internship information, hydraulic robot competitions, and a Sphero® robot obstacle course.
- Local students came together to compete in various challenges, showcasing their ideas and technologies.
