# Orlando Maker Faire

10-11 November 2018

On 10 and 11 November, SOFWERX participated in the Orlando Maker Faire. The Maker Faire is an annual gathering of “fascinating, curious people who enjoy learning and who love sharing what they can do.”

## Event Outcomes

- Over 300 exhibitors showcased their hobbies, experiments, and projects to an audience of over 14,000 attendees.
- The SOFWERX STEM team manned a booth that helped students and adult “makers” create paper circuits and block-code with Adafruit’s Circuit Playground Express.
