College Interns

2016

SOFWERX continues to fulfill its STEM mission by hiring undergraduate interns to work on projects and prototypes. Our interns come from local Florida universities, and have generated novel ideas, unique prototypes, and creative energy across our entire portfolio.

Interns

Connor Allen (FPU)
Cayton Dale (USF)
Amanda Hill (UF)
Kayla Harris (UT)
Ian Hunter (USF)
Ryan McGee (FPU)

Kory Olney (USF)
Ridge Richards (USF)
Marcus Smith (USF)
Jessica Swantek (USF)
Daniel Vasquez (USF)

Partnerships

Through USF, SOFWERX receives matching funds from the State of Florida for all interns from any Florida university.

Results

Our interns have played key roles in major SOFWERX prototypes, events, and infrastructure.
