

See Through Walls Government Only Collaboration Event (CE)

02-03 June 2020

Event Outcomes

SOFWERX, in concert with USSOCOM and USASOC, hosted the See Through Walls Collaboration Event that explored innovative capabilities to improve an Operator's situational awareness (SA) of the area behind a door, wall, roof, floor, or buried in an underground void.

- 20 Government outstations joined and participated.
- Of 110 limitations, 20 were defined and prioritized
- It was decided that a working group will be formed around the See Through Walls capability needs.
