

Wharton High School Career Fair

11 February 2020

Event Outcomes

SOFWERX participated in Wharton High School's inaugural Technical Career Fair. Small businesses and technical schools were invited to share opportunities available to students post High School.

- SOFWERX showcased the multitude of technical (and non-technical) job opportunities available, to include:
 - Mechanical Engineer
 - Electrical Engineer
 - Welder
 - Machinist
 - Software Engineer
 - Website Developer
 - System Administrator
- 175 students networked with over 25 companies and technical schools across Tampa Bay for a total of four hours.
